そこには少女たちの愛があった。

A CHANCE MEETING BLOSSOMED TO LOVE BETWEEN TWO GIRLS.

But it's quite a peculiar couple: Soyuri is ordinary in every way, while her love interest, Yoriko, is a refined lady who seems to be completely lacking in common sense. Graceful attraction between two very different personalities, a sweet and slightly dazzling love story.

What is it, Yoriko-senpai?
Sa-yuri.

Ah...
Move
Has your mole grown this month?

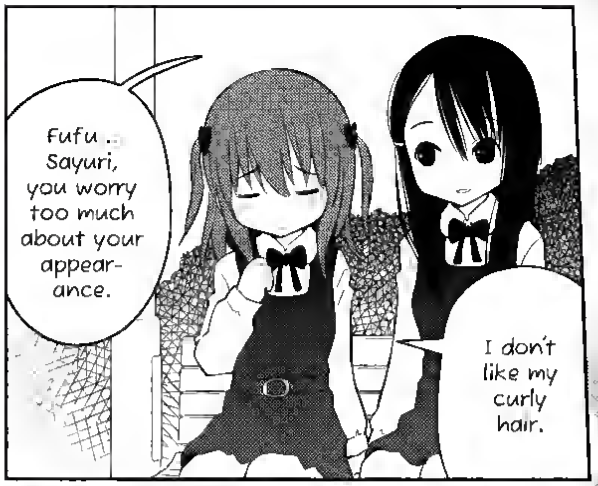
senpai
It'll be fun when it takes up half of your face
That won't be fun at all

I hate my mole
It stands out and keeps getting bigger

Really?
I like it

『Senpai, you mustn't...』
Sayuri, did you know your elbow doesn't hurt when pinched?
Is that so?
I'll pinch yours
Wrap
Okay
Mm...
Pinch
And? I did it as hard I could
HAA
It really didn't hurt!
Is that.. so?
Isn't that just hilarious?
Hehe
That's not hilarious at all
I had a blast with it the other day when I did it by myself...
But then I cut myself with a knife and lost a lot of blood, and I had to be taken to a hospital

『Uncomfortable...』
I'm learning palm reading. I'll read yours.
Okay. Go ahead.
Ah, yes...
This line...
Did you find out something?
Eh?! Ah, yeah..
Ah...!
It's salty
If anything
Ck



Fufu.. Sayuri, you worry too much about your appear-ance.
I don't like my curly hair.

But, don't you agree that your straight hair
is better?

Yoriko-senpai's hair...
is long, silky and beauti-ful...
『Senpai's misconception...』

I won't hate you just because pubic hair is growing from your head.
It's not THAT fuzzy...

hug
Your hair is fine as it is.

Hey, what'cha making?
A large ring of white clover
Could it be, it's for me?
Yes
『But, it's wonderful..』
Oh my, how cute
I-It's done
Yes.
Can I put it in?
Now it's a nose ring.

Shock
OUCH.
I cut my finger on a sharp weed.
What's wrong, Sayuri?!
Let me see.
[You mixed them up...]
Ah...
I'm going to disinfect it now
That's for when you're stung by a bee.
Hold still.
Ba-thump
S-Senpai?
Ba-thump

『That's from the movies.』
I'll go to the nurse's office
Oh, hold on, Sayuri.
I have a disinfectant present
You're so amazing, Senpai
Senpai is always the one who rescues me.
PP
PS
SH
KYAA!
W-What are you doing?
Hm?
BA-THUMP
That's how you apply disinfectant, isn't it?
I think you've got that wrong
B-Bitter
Guh
...
BA-THUMP

Senpai, we have to part ways here.
GRAB
?!
My parents aren't home today.
Will you come over?
『Follow you anywhere...』
Y-Yes... I'd love to!
That's great.
We can shave each other's backs again.
Would you like that?
...Yes
